

"An Organization For Parents by Parents"

Dear Parents,

Welcome to the 2010-2011 school year! Parent CATS ("Community for the Advancement of Teamwork and Spirit") is an organization that seeks to support the educational programs at Libertyville High School by enhancing school-home communication and providing volunteer services. All parents or guardians of an LHS student are automatically members. The Board of Directors consists of five elected executive officers, numerous committee chairmen, and one administrative representative. Parent CATS meets on a monthly basis, usually the second Wednesday at 7:00 p.m. in the LHS library. All are welcome and encouraged to attend.

A variety of skills and talents are needed to carry out the activities of Parent CATS, most importantly the desire to contribute to the LHS community and have fun with other high school parents. Please take a minute to look over the volunteer opportunities listed on the back of this page. The activities vary in scope and time commitment to accommodate busy schedules.

Check the activities that interest you and return the completed form with your registration materials or mail to:

Andy Robinson
719 Sedgwick Libertyville
Phone 847-918-7549
Fax 847-918-8621
